## ALDER VENUE RULES

### Protecting the fish

- Maximum three rods per angler
- Rods must not be left unattended when lines are in the water
- Absolutely no sacking or retaining of fish allowed
- Carp cots, weigh slings and landing nets must be disinfected before use

- Please do not put anything other than toilet paper down the toilets – our facility uses a composting system and any other object will block the pipes
- Please let us know immediately of any missing items, breakdowns or defects, so that we can rectify the problem rapidly
- Please leave the lodge in a clean and tidy condition for the next anglers
- Please respect the tranquility of our neighbourhood by keeping noise such as radios, television etc., to an acceptable level

- No lakeside fires please, other than camping or angling stoves

- No swimming in any of the lakes
