BOOMERANG VENUE RULES

Whilst we are aware that the majority of our customers will be experienced anglers, we regrettably still have to apply some rules on the use of our venue and for the protection of the fish stock. These rules are as follows and will be enforced;

Protecting the fish:

- Maximum three rods per angler
- Rods must not be left unattended when lines are in the water
- Absolutely no sacking or retaining of fish allowed
- No braided mainline. Hooks - size 2 maximum, barbless only
- A suitably sized thick carp mat must be used, together with a sufficiently strong landing net
- Absolutely no marking of fish will be tolerated
- Please handle all fish with care and caution

Use of the on-site accommodation:

- Arrival at the venue – **not before 1pm please**, unless agreed in advance
- Departure from the venue – **no later than 10am please**
- Please remove muddy boots before entering the mobile home
- No smoking inside the mobile home
- Please do not put anything other than toilet paper down the toilets – our facility uses a septic tank and any other object will block the pipes and you will be held responsible for the cost of the unblocking!
- Please let us know immediately of any missing items, breakdowns or defects, so that we can rectify the problem rapidly.
- Please leave the mobile home and your swim area (including barbeque) in a clean and tidy condition for the next occupant.
- Please respect the tranquility of our neighbourhood by keeping noise such as radios, television etc., to an acceptable level

General:

- Bait boats allowed
- No rowing boats allowed
- No lakeside ground level fires are allowed, other than camping or angling stoves or barbeques – the safety of these items will be your responsibility. Please note that during times of drought in the area the local police may restrict the use of camping stoves, angling stoves and barbeques – you will be advised of this if and when necessary
- Please use the bins provided for litter and cigarette ends
- No swimming in the lake
- Dogs are allowed on site but must be kept on a lead at all times
- Waders are allowed for landing and replacing of fish only – not for distributing bait
- Cars must be moved to the parking area immediately after unloading
- Caravans and camping cars are allowed at this venue

The Management reserves the right to:

- Ask you to leave the venue should you break any of the rules
- Inspect and control your fishing equipment, including during the night

Please note that you are responsible for your own safety and the security of your equipment, including vehicles. *Thank you for your co-operation.*

BAIT

This venue stocks Quest Baits (www.questbaits.com). They can be pre-ordered and waiting for you at the venue. Please order at least 4 weeks in advance. You pay the owner in Euros when you arrive. Please note that the Euro to £ sterling exchange rate does fluctuate throughout the year.

To order bait please contact the owner direct. The owners Email address & phone number can be found on the directions sheet which will be sent to you when your holiday has been paid for in full.

Boilies:

Quest;

Surf & Turf, Special Crab and Rahja Spice. Shelf Life. 15 and 20mm. 5kg bags and 2kg buckets. Dips and pop-ups to match. Prices as per Quest Website.

Particle mix of hemp/maize and cane sugar - 3kg for 10euro

Please note; Bait orders are made directly between you and the lake owner and/or Quest Baits. We (Angling Lines) cannot be held responsible for any problems that may subsequently arise. If you order bait to be waiting for you when you arrive we strongly recommend you telephone or Email the owner a few days before your arrival to make sure it will be there for you. In 99% of cases this will just be purely precautionary, but bait is such an important part of your holiday that it's only sensible to take every step to avoid problems.
