GOLDEN OAK VENUE RULES

The fish are our first concern & their welfare is paramount. Unfortunately due to ever spreading diseases we have had to bring in some restrictions to protect the fish.

- **We insist that our own unhooking mats, landing nets & weigh slings are used. No other nets, mats, bags or sacks are allowed on the property.** We make no extra charge for this, but we will charge for the cost of replacement for damaged equipment
- *Hooks;* Our preference is for micro barbed hooks, but barbless may also be used. Single hook only, no bent downs or multiple hooks
- No fixed lead, death rigs, tether or bent hook rigs allowed... we will check rigs!
- Rigs must allow fish to free themselves from the lead in the event of breakages. Please use safe rigs making sure that the lead set up can slide over any shock leader knot
- No spinning or use of wire traces
- **RODS MUST NOT BE LEFT UNATTENDED AT ANY TIME**
- Unhooking mats must be wetted before use & please always use them when taking photographs. Please do not stand up when holding fish for photos
- Fish to be returned to the water (using weigh slings) after photograph. Please do not use your bare hands. Fish may not be retained in nets etc, and are to be released without delay
- Only particle baits prepared by ourselves, or professionally prepared are allowed. NO NUTS
- Boats & swimming are strictly forbidden. If you are snagged, ask us for help & we will get the boat & free you
- Bait boats are allowed
- The cutting of any vegetation or trees is strictly forbidden. No fires or stoves to be used
- PLEASE...Leave no litter, line or cigarette ends, bins are provided for all your litter
- Please close the gates after you & PLEASE DO NOT FEED OUR ANIMALS
- Please don't climb on or over fences, we have wild boar in the woods & they do not make good companions!
- All children under the age of 16 must be accompanied by an adult
- Fishing is carried out entirely at your own risk, and the owners accept no responsibility for any accidents or damage that might occur while on the property

THE GITE

- The cooking of bait is NOT permitted in the gite
- We have a bait fridge and some freezer space for anglers use, so please do not use the domestic fridge in the gite
- Smoking in the gite is not allowed. If you smoke outside, please dispose of your cigarette ends in the bin
