## BAIT

This venue stocks Quest Baits ([www.questbaits.com](http://www.questbaits.com)). They can be pre-ordered and waiting for you at the venue. Please order at least 4 weeks in advance. You pay the owner in Euros when you arrive.

To order bait please contact the owner direct. The owner's Email address & phone number can be found on the directions sheet which will be sent to you when your holiday has been paid for in full.

### **Boilies:**

15mm Surf 'n' Turf, Pineapple Crush, Rahja Spice, Tiger Nut Crunch

- Quest Boilies 2kg tub = €24.50
- Quest Boilies 1kg bag = €12.50
- Pop-ups to match = €7.00
- 2kg Quest Boilies + 4kg Lake Pellet = all for just €30.00!

Our 7mm carp pellets are top quality, and we use them to feed the fish all year round. They therefore feed on them confidently and are very effective either loose-fed or in PVA bags (or both!).

**Please note;** Bait orders are made directly between you and the lake owner and/or Quest Baits. We (Angling Lines) cannot be held responsible for any problems that may subsequently arise. If you order bait to be waiting for you when you arrive we strongly recommend you telephone or Email the owner a few days before your arrival to make sure it will be there for you. In 99% of cases this will just be purely precautionary, but bait is such an important part of your holiday that it's only sensible to take every step to avoid problems.
