MALHERE VENUE RULES

IMPORTANT; Please send a security cheque of £200 to the owners at least one week before your holiday. Their address can be found on the directions sheet which will be sent to you when your holiday is paid for in full. **Please also enclose a self addressed envelope.** The deposit will be returned to you the week after your holiday providing everything is left in order.

Things that would affect the full reimbursement of the deposit are;

- Damage to the property
- Additional bottles of Gas (above 4) used in the week. To be charged at @ 30 euro's a bottle
- Additional cleaning charges. These will be incurred if the van is not left clean and tidy, fridge emptied and pots used, washed and put away. Rubbish and empty bottles /bags should be taken too (council bins are just up the road)

RULES

Whilst we are aware that the majority of our customers will be experienced anglers, we regrettably still have to apply some rules to the use of our venue and for the protection of the fish stock. These rules are as follows and will be enforced.

Protecting the fish

- Maximum three rods per angler
- Rods must not be left unattended when lines are in the water
- Absolutely no sacking or retaining of fish allowed
- Carp cots and weigh slings are all provided on site and must be used to prevent cross-contamination. Landing nets are not supplied, please bring your own & use the net dip provided on site
- A suitable antiseptic treatment (such as Klin-Ik) must be used at all times
- Minimum 15lb mono mainline, no bent hook rigs or braided mainline, micro-barb or barbless hooks only
- No particles (except tinned sweetcorn/carp pellets or pre-prepared particles) and no nuts of any type

Use of the on-site accommodation

- **Arrival at the venue – not before 2pm please, unless agreed in advance with the caretaker whose number can be found on the directions sheet. Departure from the venue – no later than 10am**
- Please can you ring Geoff (phone number on the directions sheet) an hour before arrival to ensure that someone is there to meet you
- Please remove muddy boots before entering the mobile. No smoking inside the mobile please
- *Please do not put anything other than toilet paper down the toilets – our facility uses a septic tank and any other object will block the pipes and you will be held responsible for the cost of the unblocking!*
- Please let us know immediately of any missing items, breakdowns or defects, so that we can rectify the problem rapidly
- Please leave the mobile and barbeque in a clean and tidy condition for the next occupant
- Please respect the tranquility of our neighbourhood by keeping noise such as radios, television etc., to an acceptable level
- Water is precious on this site so please use sensibly. The water is pumped from the well, which is fine for washing etc, but not recommended for drinking... we advise you take bottled water for drinking
- Electricity is supplied by a Gas generator. You will be given instructions on its use plus a supply of fuel sufficient for the week. 4 Bottles BUT PLEASE DO NOT LEAVE APPLIANCES OR LIGHTS ON UNNECESSARILY – otherwise you will run out of fuel. We suggest you only start the generator when you need to use an electrical appliance

General

- No row boats but bait boats are allowed
- No lakeside fires please, other than camping or angling stoves
- Please use the bins provided for litter and cigarette ends
- No swimming in the lake
- The management reserve the right to inspect fishing tackle
