TOMS LAKE VENUE RULES

Please note: On arrival you will be asked to provide a £150 security deposit. This will be returned at the end of the week providing everything is left in good condition. We would prefer a UK cheque (which will not be cashed) but will accept cash (£'s or Euros) if a cheque is not convenient.

Whilst we are aware that the majority of our customers will be experienced anglers, we regrettably still have to apply some rules to the use of our venue and for the protection of the fish stock. These rules are as follows and will be enforced.

Lake rules:

- Maximum three rods per angler. Rods must not be left unattended
- Absolutely no sacking or retaining of fish allowed
- Carp cots, weigh slings and 42" landing nets are all provided on site and must be used to prevent cross-contamination. A suitable antiseptic treatment (such as Klin-Ik) must be used at all times
- Minimum 15lb mainline, no bent hook rigs or braided mainline, micro-barb or barbless hooks only
- No particles and no nuts of any type
- Bait boats are allowed
- No lakeside fires please, other than camping or angling stoves. Please use the bins provided for litter and cigarette ends. No swimming in the lake
- The management reserve the right to inspect fishing tackle

Use of the on-site accommodation:

- **Arrival at the venue – not before 4pm please, unless agreed in advance**
- Departure from the venue – no later than 10am
- Please remove muddy boots before entering the lodge
- No smoking inside the lodge. Please switch off lights & TV when you are not in the lodge
- Please do not put anything other than toilet paper down the toilets – our facility uses a septic tank and any other object will block the pipes and you will be held responsible for the cost of the unblocking!

- Please let us know immediately of any missing items, breakdowns or defects, so that we can rectify the problem rapidly
- Please leave the lodge and barbeque in a clean and tidy condition for the next occupant
- Please respect the tranquility of our neighbourhood by keeping noise such as radios, television etc., to an acceptable level

BAIT

This venue sells carp pellet at 30euros for 25kg. This is the same pellet the fish are fed on throughout the year so it's highly effective.

To order bait please contact the owner direct. The owners Email address & phone number can be found on the directions sheet which will be sent to you when your holiday has been paid for in full.

Please note; Bait orders are made directly between you and the lake owner and/or Quest Baits. We (Angling Lines) cannot be held responsible for any problems that may subsequently arise. If you order bait to be waiting for you when you arrive we strongly recommend you telephone or Email the owner a few days before your arrival to make sure it will be there for you. In 99% of cases this will just be purely precautionary, but bait is such an important part of your holiday that it's only sensible to take every step to avoid problems.
